Friends of ACS Newsletter – Autumn 2018

Tickets are available now for “To Eritrea and Ethiopia –retracing a Victorian Expedition” on **FRIDAY 2nd NOVEMBER**. Doors open at 7:00pm at the Alton Assembly Rooms, GU34 1BA. Remember that, as a member of the Friends of ACS, you are entitled to a discount on your ticket. Contact Lissa in the office on (01420) 89207 to **secure your ticket at £12**. Alternatively you can email her on admin@altoncounselling.org.uk.

The Newbury Building Society has again agreed to act as our main Box Office; full price tickets (£15) are available there. Alton Community Centre also has our tickets on sale in reception.

John Pilkington completed his journey through the Horn of Africa earlier this year. This will be one of his first presentations, and we expect a strong demand for tickets. John followed in the footsteps of a rescue mission through Abyssinia. He assures us that he didn't need the 44 elephants employed by the Victorian adventurers! The evening will therefore explore history, geography and adventure, as well as John's insights into the life of the people that he met.

Our following event will be a talk on “The Men in Jane Austen's Life”. We are planning this for April. The Trustees have agreed that this event will be **FREE** to members of the Friends of ACS.

Elizabeth Knight (pique134@btinternet.com) will be maintaining the contact list for the friends of ACS. If you do **NOT** want your details to be held on that list please let the Service Manager know (Lissa Morris (01420) 89207 or admin@altoncounselling.org.uk).
